SEASON'S SUMMARY

The Tiger Basketball team of 1947 was one of the best in the history of the school. The famous Bucket Brigade left a long path of victories as they won 23 out of their 25 games. Winning the District 11-AA championship, they went on to play Bryan for the bi-district championship. After winning the first game on their home court, they lost the next two, giving the Bryan Club the bi-district championship. These three games were among the most thrilling of the entire season. Center Kenneth Swanger, Guard Theodore Asimos, and Forward Joe Jones won district honors. We are indeed proud of the Tiger basketball squad and the coaches for bringing such a successful basketball season to Texas High.
